### Annual Youth Night

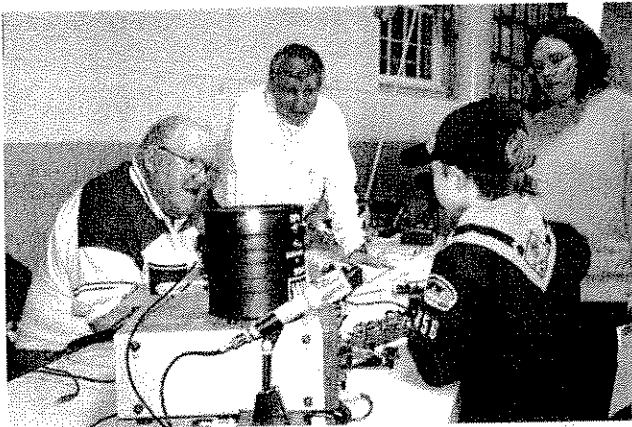

**On:** Tuesday, November 9, 2010

**From:** 7:00PM to 9:00PM

In the Community Room

**At:** The Church of the Nativity  
1530 Colvin Blvd, Kenmore, NY

(Just one block North of Sheridan Dr)

If the youth of today think that computers and cell phones are cool, wait until they see what Ham Radio can do! Amateur Radio Operators have one of the most powerful communication services at their fingertips. In times of disaster when cell phones, computers and normal land lines are down, Amateur Radio Operators can get through with emergency communications.

Pick up your Passport on November 9<sup>th</sup> and see the various ways we communicate with the rest of the World.

**GROUP LEADERS:** Please contact us with the approximate number in your group to ensure that we have adequate materials and refreshments.

Family members are Welcome to attend.
