

Shooting Sports Programs

2011/2012

The GNFC Shooting Sports Committee is planning several events and training sessions for Boy Scouts, Ventureres, and adult leaders. Join us for a fun, informative, and safe time on the range!

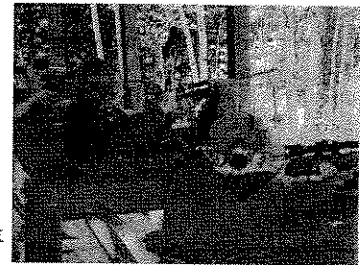

Schoellkopf Shootouts

Come to Camp Schoellkopf for a fun "Shootout!" The rifle, shotgun, and archery ranges will be staffed and open for Scouts to learn about safe operation of firearms and get a chance to practice their skills. They can even work toward a merit badge or complete one started at summer camp. A special hatchet and knife throwing range will also be open.

October 22, 2011 & May 5, 2012

Camp for the weekend or just come out for the day. A small fee will cover the cost of instruction and ammunition. Age restrictions apply.

Check www.wnyscouting.org for more details.

Instructor Training

Did you know that the BSA Guide to Safe Scouting requires a National Rifle Association certified Instructor and Range Safety Officer to be present for all unit shooting activities, including merit badge instruction? Did you know that Venture Scouts only may use handguns?

Our NRA Training Counselors conduct training courses throughout the year. Contact us for more information any of the following. We also offer BSA Archery Range Officer Training.

- Rifle Instructor
- Shotgun Instructor
- Pistol Instructor
- Range Safety Officer
